

1.1 Business Associate Provisions:

Make sure the “state agency” is adequately defined previously in the contract/bid document. If not, then be sure to indicate the specific section of the “state agency” that is subject to HIPAA. If you refer to the contractor by another name, (e.g.: provider, vendor, etc), be sure to change all references to the contractor in the following provisions.

1.1.1 Health Insurance Portability and Accountability Act of 1996 (HIPAA) - The state agency is subject to and must comply with provisions of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all regulations promulgated pursuant to authority granted therein. The contractor constitutes a “Business Associate” of the state agency as such term is defined in the Code of Federal Regulations (CFR) at 45 CFR 160.103. Therefore, the term, “contractor” as used in this section shall mean “Business Associate.”

- a. The contractor shall agree and understand that for purposes of the Business Associate Provisions contained herein, terms used but not otherwise defined shall have the same meaning as those terms defined in 45 CFR parts 160 and 164, including, but not limited to the following:
 - 1) “Privacy Rule” shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR part 160 and part 164, subparts A and E.
 - 2) “Security Rule” shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR part 164, subpart C.
 - 3) “Enforcement Rule” shall mean the HIPAA Administrative Simplification: Enforcement; Final Rule at 45 CFR parts 160 and 164.
 - 4) “Individual” shall have the same meaning as the term “individual” in 45 CFR 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR 164.502 (g).
 - 5) “Protected Health Information” as defined in 45 CFR 160.103, shall mean individually identifiable health information:
 - (1) Except as provided in paragraph (2) of this definition, that is: (i) Transmitted by electronic media; or (ii) Maintained in electronic media; or (iii) Transmitted or maintained in any other form or medium.
 - (2) Protected Health Information excludes individually identifiable health information in (i) Education records covered by the Family Educational Rights and Privacy Act, as amended, 20 U.S.C. 1232g; (ii) Records described at 20 U.S.C. 1232g(a)(4)(B)(iv); and (iii) Employment records held by a covered entity [state agency] in its role as employer.
 - 6) “Electronic Protected Health Information” shall mean information that comes within paragraphs (1)(i) or (1)(ii) of the definition of protected health information as specified above.
 - 7) Access, administrative safeguards, confidentiality, covered entity, data aggregation, designated record set, disclosure, hybrid entity, information system, physical safeguards, required by law, technical safeguards, use and workforce shall have the same meanings as defined in 45 CFR 160.103, 164.103, 164.304, and 164.501 and HIPAA.
- b. The contractor agrees and understands that wherever in this document the term Protected Health Information is used, it shall also be deemed to include Electronic Protected Health Information.
- c. The contractor must appropriately safeguard Protected Health Information which the contractor receives from or creates or receives on behalf of the state agency. To provide reasonable assurance of appropriate safeguards, the contractor shall comply with the business associate provisions stated herein.
- d. The state agency and the contractor agree to amend the contract as is necessary for the parties to comply with the requirements of HIPAA and the Privacy Rule, Security Rule, and Enforcement Rule (hereinafter referenced as the regulations promulgated thereunder).

1.1.2 Permitted uses and disclosures of Protected Health Information:

- a. The contractor may use or disclose Protected Health Information to perform functions, activities, or services for, or on behalf of, the state agency as specified in the contract, provided that such use or disclosure would not violate HIPAA and the regulations promulgated thereunder.
- b. The contractor may use Protected Health Information to report violations of law to appropriate Federal and State authorities, consistent with 45 CFR 164.502(j)(1) and shall notify the state agency by no later than ten (10) calendar days after the contractor becomes aware of the disclosure of the Protected Health Information.
- c. If required to properly perform the contract and subject to the terms of the contract, the contractor may use or disclose Protected Health Information if necessary for the proper management and administration of the contractor's business.
- d. If the disclosure is required by law, the contractor may disclose Protected Health Information to carry out the legal responsibilities of the contractor.

Next paragraph is only necessary for certain contracts where the contractor provides data aggregation services. Review to determine if should be included:

- e. The contractor may use Protected Health Information to provide Data Aggregation services to the state agency as permitted by 45 CFR 164.504(e)(2)(i)(B).

1.1.3 Obligations of the Contractor:

- a. The contractor shall not use or disclose Protected Health Information other than as permitted or required by the contract or as otherwise required by law.
- b. The contractor shall use appropriate safeguards to prevent use or disclosure of the Protected Health Information other than as provided for by the contract. Such safeguards may include, but shall not be limited to:
 - 1) Workforce training on the appropriate uses and disclosures of Protected Health Information pursuant to the terms of the contract.
 - 2) Policies and procedures implemented by the contractor to prevent inappropriate uses and disclosures of Protected Health Information by its workforce.
 - 3) Any other safeguards necessary to prevent the inappropriate use or disclosure of Protected Health Information.
- c. With respect to Electronic Protected Health Information, the contractor shall implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of the Electronic Protected Health Information that contractor creates, receives, maintains or transmits on behalf of the state agency.
- d. The contractor shall require that any agent or subcontractor to whom the contractor provides any Protected Health Information received from, created by, or received by the contractor pursuant to the contract, also agrees to the same restrictions and conditions stated herein that apply to the contractor with respect to such information.
- e. By no later than ten (10) calendar days of receipt of a written request from the state agency, or as otherwise required by state or federal law or regulation, or by another time as may be agreed upon in writing by the state agency, the contractor shall make the contractor's internal practices, books, and records, including policies and procedures and Protected Health Information, relating to the use and disclosure of Protected Health Information received from, created by, or received by the contractor on behalf of the state agency available to the state agency and/or to the Secretary of the Department of

Health and Human Services or designee for purposes of determining compliance with the Privacy Rule.

- f. The contractor shall document any disclosures and information related to such disclosures of Protected Health Information as would be required for the state agency to respond to a request by an individual for an accounting of disclosures of Protected Health Information in accordance with 45 CFR 164.528. By no later than five (5) calendar days of receipt of a written request from the state agency, or as otherwise required by state or federal law or regulation, or by another time as may be agreed upon in writing by the state agency, the contractor shall provide an accounting of disclosures of Protected Health Information regarding an individual to the state agency.
- g. In order to meet the requirements under 45 CFR 164.524, regarding an individual's right of access, the contractor shall, within five (5) calendar days following a state agency request, or as otherwise required by state or federal law or regulation, or by another time as may be agreed upon in writing by the state agency, provide the state agency access to the Protected Health Information in an individual's designated record set. However, if requested by the state agency, the contractor shall provide access to the Protected Health Information in a designated record set directly to the individual for whom such information relates.
- h. At the direction of the state agency, the contractor shall promptly make any amendment(s) to Protected Health Information in a Designated Record Set pursuant to 45 CFR 164.526.
- i. The contractor shall report to the state agency's Security Officer any security incident immediately upon becoming aware of such incident and shall take immediate action to stop the continuation of any such incident. For purposes of this paragraph, security incident shall mean the attempted or successful unauthorized access, use, modification or destruction of information or interference with systems operations in an information system. This does not include trivial incidents that occur on a daily basis, such as scans, "pings," or unsuccessful attempts that do not penetrate computer networks or servers or result in interference with system operations. By no later than five (5) days after the contractor becomes aware of such incident, the contractor shall provide the state agency's Security Officer with a description of any remedial action taken to mitigate any harmful effect of such incident and a proposed written plan of action for approval that describes plans for preventing any such future security incidents.
- j. The contractor shall report to the state agency's Privacy Officer any unauthorized use or disclosure of Protected Health Information not permitted or required as stated herein immediately upon becoming aware of such use or disclosure and shall take immediate action to stop the unauthorized use or disclosure. By no later than five (5) calendar days after the contractor becomes aware of any such use or disclosure, the contractor shall provide the state agency's Privacy Officer with a written description of any remedial action taken to mitigate any harmful effect of such disclosure and a proposed written plan of action for approval that describes plans for preventing any such future unauthorized uses or disclosures.
- k. Notwithstanding any provisions of the Terms and Conditions attached hereto, in order to meet the requirements under HIPAA and the regulations promulgated thereunder, the contractor shall keep and retain adequate, accurate, and complete records of the documentation required under these provisions for a minimum of six (6) years as specified in 45 CFR part 164.

1.1.4 Obligations of the State Agency:

- a. The state agency shall notify the contractor of limitation(s) that may affect the contractor's use or disclosure of Protected Health Information, by providing the contractor with the state agency's notice of privacy practices in accordance with 45 CFR 164.520.
- b. The state agency shall notify the contractor of any changes in, or revocation of, authorization by an Individual to use or disclose Protected Health Information.

- c. The state agency shall notify the contractor of any restriction to the use or disclosure of Protected Health Information that the state agency has agreed to in accordance with 45 CFR 164.522.
- d. The state agency shall not request the contractor to use or disclose Protected Health Information in any manner that would not be permissible under HIPAA and the regulations promulgated thereunder.

1.1.5 Expiration/Termination/Cancellation - Except as provided in the subparagraph below, upon the expiration, termination, or cancellation of the contract for any reason, the contractor shall, at the discretion of the state agency, either return to the state agency or destroy all Protected Health Information received by the contractor from the state agency, or created or received by the contractor on behalf of the state agency, and shall not retain any copies of such Protected health Information. This provision shall also apply to Protected Health Information that is in the possession of subcontractor or agents of the contractor.

- a. In the event the state agency determines that returning or destroying the Protected Health Information is not feasible, the contractor shall extend the protections of the contract to the Protected health Information for as long as the contractor maintains the Protected health Information and shall limit the use and disclosure of the Protected health Information to those purposes that made return or destruction of the information infeasible. If at any time it becomes feasible to return or destroy any such Protected Health Information maintained pursuant to this paragraph, the contractor must notify the state agency and obtain instructions from the state agency for either the return or destruction of the Protected Health Information.

1.1.6 Breach of Contract – In the event the contractor is in breach of contract with regard to the business associate provisions included herein, the contractor shall agree and understand that in addition to the requirements of the contract related to cancellation of contract, if the state agency determines that cancellation of the contract is not feasible, the State of Missouri may elect not to cancel the contract, but the state agency shall report the contractual breach to the Secretary of the Department of Health and Human Services.

END OF BUSINESS ASSOCIATE PROVISIONS

Make sure the contract includes cancellation/breach of contract provisions such as the standard provisions included in the Division of Purchasing and materials Management's (DPMM) Terms and Conditions:

16. CANCELLATION OF CONTRACT

- a. In the event of material breach of the contractual obligations by the contractor, the DPMM may cancel the contract. At its sole discretion, the DPMM may give the contractor an opportunity to cure the breach or to explain how the breach will be cured. The actual cure must be completed within no more than 10 working days from notification, or at a minimum the contractor must provide DPMM within 10 working days from notification a written plan detailing how the contractor intends to cure the breach.
- b. If the contractor fails to cure the breach or if circumstances demand immediate action, the DPMM will issue a notice of cancellation terminating the contract immediately.
- c. If the DPMM cancels the contract for breach, the DPMM reserves the right to obtain the equipment, supplies, and/or services to be provided pursuant to the contract from other sources and upon such terms and in such manner as the DPMM deems appropriate and charge the contractor for any additional costs incurred thereby.
- d. The contractor understands and agrees that funds required to fund the contract must be appropriated by the General Assembly of the State of Missouri for each fiscal year included within the contract period. The contract shall not be binding upon the state for any period in which funds have not been appropriated, and the state shall not be liable for any costs associated with termination caused by lack of appropriations.
